This exploded view diagram illustrates the assembly of a mechanical component, likely a pump or motor. The parts are numbered 1 through 13. The main housing (1) is the central component. It features a mounting flange with four holes, two of which are secured by screws (13). A circular cover (10) is shown being fitted onto the front of the housing. A O-ring (11) is positioned to seal the joint between the housing and the cover. A large gear (3) is mounted on the side of the housing, secured by a bolt (7) and a lock washer (4). A shaft (5) is shown being inserted into the housing, with a O-ring (9) and a cap nut (8) used to secure it. A small pin (6) is used to secure the shaft. A small cap screw (12) is shown being inserted into the housing. A small pin (13) is shown being inserted into the housing. A small pin (13) is shown being inserted into the housing.
